# Waxes & Additives

Catalog & Price List  
Prices Effective: 4/17/2023

## IGI-4630

**Recommended Use:**  
**Single Pour Container Blend**

Soft and creamy, this low-shrink blend is designed specifically for container candles and has long been a favorite among seasoned candlemakers and, if used properly, should normally require only one pour.

Melt Point	Flash Point	Sample Size	Sample Price	Lbs / Case	Cases / Pallet	1-7 cs	8-14 cs	15-55 cs	Pallet
119°F	>500°F	10 lbs	\$27.60	40 lbs / Case	56 Cases Pallet	\$88.40	\$86.40	\$84.80	\$4,636.80

## IGI-4636 (Was J-50)

**Recommended Use:**  
**Single Pour Container Blend**

Soft and creamy, this low-shrink blend is designed specifically for container candles and has long been a favorite among seasoned candlemakers and, if used properly, should normally require only one pour.

Melt Point	Flash Point	Sample Size	Sample Price	Lbs / Case	Cases / Pallet	1-7 cs	8-14 cs	15-55 cs	Pallet
128°F	>500°F	10 lbs	\$28.50	40 lbs / Case	56 Cases Pallet	\$91.20	\$89.20	\$87.20	\$4,793.60

## IGI-4627

**Recommended Use:**  
**Single Pour Container Blend**

A smooth, creamy, true single pour wax that is specially designed for the manufacture of container candles. This wax is so soft that rather than being cast into slabs, the 50 lb. case contains (2) plastic bags with 25 lbs. in each bag.

Melt Point	Flash Point	Sample Size	Sample Price	Lbs / Case	Cases / Pallet	1-4 cs	5-9 cs	10-40 cs	Pallet
125°F	>325°F	23 lbs	\$61.87	46 lbs / Case	40 Cases Pallet	\$107.18	\$104.88	\$103.04	\$4,029.60

## IGI-4633 (Was J-223)

**Recommended Use:**  
**Single Pour Container Blend**

Soft and creamy, this low-shrink blend is designed specifically for container candles. This wax usually exhibits a bit better adhesion to glass jars than the IGI-4636 (formerly known as J-50) and also has slightly improved fragrance loading capacity. However, this wax might need a bit of a top-off on the 2nd pour.

Melt Point	Flash Point	Sample Size	Sample Price	Lbs / Case	Cases / Pallet	1-7 cs	8-14 cs	15-55 cs	Pallet
124°F	>500°F	10 lbs	\$28.20	40 lbs / Case	56 Cases Pallet	\$90.40	\$88.80	\$86.80	\$4,748.80

## IGI-4786

**Recommended Use:**  
**Container Blend**

Smooth and creamy container blend specially designed for the manufacture of container candles. This wax is NOT a one-pour wax. After the first pour sets, the tops of the candles will dip slightly requiring a second pour to top off.

Melt Point	Flash Point	Sample Size	Sample Price	Lbs / Case	Cases / Pallet	1-7 cs	8-14 cs	15-55 cs	Pallet
124°F	>380°F	10 lbs	\$27.50	40 lbs / Case	56 Cases Pallet	\$88.80	\$87.20	\$85.20	\$4,659.20

**IGI-4794****Recommended Use:  
Votive Blend / Wax Tarts**

Special blend designed for the manufacture of votive candles. The lower melting point of this wax also makes it ideal for tarts!

Melt Point	Flash Point	Sample Size	Sample Price	Lbs / Case	Cases / Pallet	1-7 cs	8-14 cs	15-55 cs	Pallet
128°F	>500°F	10 lbs	\$28.40	40 lbs / Case	34 Cases Pallet	\$91.60	\$90.00	\$88.00	\$4,816.00

**IGI-4761****Recommended Use:  
Low Shrink Votive Blend**

Special low-shrink blend designed specifically for the manufacture of votive candles. When used properly, this blend should require only one pour which saves a lot of time.

Melt Point	Flash Point	Sample Size	Sample Price	Lbs / Case	Cases / Pallet	1-7 cs	8-14 cs	15-55 cs	Pallet
159°F	>400°F	10 lbs	\$30.40	40 lbs / Case	34 Cases Pallet	\$98.00	\$96.00	\$94.00	\$5,152.00

**IGI-4625****Recommended Use:  
Pillar Blend**

Special blend designed for the manufacture of pillar candles.

Melt Point	Flash Point	Sample Size	Sample Price	Lbs / Case	Cases / Pallet	1-7 cs	8-14 cs	15-55 cs	Pallet
142°F	>400°F	10 lbs	\$28.40	40 lbs / Case	34 Cases Pallet	\$93.20	\$91.60	\$90.00	\$4,972.80

**IGI-1239****Recommended Use:  
Cut N Curl****This wax has replaced the former IGI 1343 Cut N Curl Wax.**

A fully refined wax suitable for pillar and other molded candles as well as "cut and carve" candles.

Melt Point	Flash Point	Sample Size	Sample Price	Lbs / Case	Cases / Pallet	1-7 cs	8-14 cs	15-55 cs	Pallet
140°F	>400°F	10 lbs	\$29.50	40 lbs / Case	56 Cases Pallet	\$85.60	\$84.00	\$82.40	\$4,480.00

**IGI-1260****Recommended Use:  
Hurricanes / Embeds**

High melt point wax designed for the manufacture of wax embeds or hurricane candles.

Melt Point	Flash Point	Sample Size	Sample Price	Lbs / Case	Cases / Pallet	1-7 cs	8-14 cs	15-55 cs	Pallet
163°F	>400°F	10 lbs	\$30.00	40 lbs / Case	56 Cases Pallet	\$95.60	\$94.00	\$92.00	\$4,995.20

**IGI-2281****Recommended Use:  
Base Paraffin**

A replacement for the old IGI 941, this soft wax is designed for use in the manufacture of mottled container candles, or can be used to achieve a smooth look with the addition of additives such as Vybar 260.

Melt Point	Flash Point	Sample Size	Sample Price	Lbs / Case	Cases / Pallet	1-7 cs	8-14 cs	15-55 cs	Pallet
123°F	>400°F	10 lbs	\$28.44	40 lbs / Case	56 Cases Pallet	\$82.40	\$80.80	\$79.20	\$4,345.60

**IGI-1230****Recommended Use:**  
**Base Paraffin**

This wax is a fully refined paraffin wax used for containers. Because it is a harder wax, for best results it will require topping off to achieve a smooth top. Will need additives such as Vybar 260 for best results.

Melt Point	Flash Point	Sample Size	Sample Price	Lbs / Case Cases / Pallet	1-7 cs	8-14 cs	15-55 cs	Pallet
129°F	>400°F	10 lbs	\$27.50	40 lbs / Case 56 Cases Pallet	\$82.00	\$80.00	\$78.80	\$4,278.40

**IGI-4826****Recommended Use:**  
**Tarts and Wax Chips**

This wax is a specialty wax formulated specifically for use in scented wax chips, tarts, and clamshell molds

Melt Point	Flash Point	Sample Size	Sample Price	Lbs / Case Cases / Pallet	1-7 cs	8-14 cs	15-55 cs	Pallet
140°F	>374°F	10 lbs	\$32.10	40 lbs / Case 56 Cases Pallet	\$94.80	\$92.80	\$91.20	\$4,995.20

# Waxes & Additives

Catalog &amp; Price List

Prices Effective: 4/17/2023

**Vybar 103**

(For melting points ABOVE 130°F) Increases hardness and surface gloss. Also helps reduce air bubbles and mottling. Enhances fragrances & color quality. Recommended usage is 1 tablespoon per 2 pounds of wax.

1-9 lbs	10+ lbs
\$7.15	\$6.65

**Vybar 260**

(For melting points BELOW 130°F) Increases hardness and surface gloss. Also helps reduce air bubbles and mottling. Enhances fragrances & color quality. Recommended usage is 1 tablespoon per 2 pounds of wax.

1-9 lbs	10+ lbs
\$6.95	\$6.50

**UV Light Stabilizer**

This additive helps prevent color fading of all types of candles. A MUST for those who sell candles outdoors! Recommended usage is about 0.2% if measuring by weight, and about 1/2 teaspoon per pound if measuring by volume. Sold in 2oz bags.

# of bags	Price
1-9	\$6.95
10-24	\$5.95
25-49	\$5.25
50+	\$4.85

**IGI-6006****Recommended Use:**  
**Single Pour Container Blend**

This soft, low-shrink container wax was originally produced by Dussek Campbell and then BP under the blend number 5766. It is now produced by IGI under the formula #6006. It is a blend of paraffin and soy waxes.

Melt Point	Flash Point	Sample Size	Sample Price	Lbs / Case Cases / Pallet	1-7 cs	8-14 cs	15-55 cs	Pallet
127°F	>400°F	10 lbs	\$28.30	40 lbs / Case 56 Cases Pallet	\$91.60	\$90.40	\$89.20	\$4,928.00

**NATUREWAX**

## NatureWax C-3

**Recommended Use:**  
Soy Container Wax

This 100% soybean wax is a true single pour, and is designed to adhere to the side of the jars. This soy container blend from Cargill produces a much smoother top on candles than previous versions. The new blend also helps to stabilize color for a nice uniform look. Comes in easy-to-use flake form.

Melt Point	Flash Point	Sample Size	Sample Price	Lbs / Case Cases / Pallet	1-4 cs	5-9 cs	10-32 cs	Pallet
125F	>600°F	10 lbs	\$34.10	45 lbs / Case 33 Cases Pallet	\$110.25	\$108.00	\$105.75	\$3,415.50

**NATUREWAX**

## NatureWax C-6

**Recommended Use:**  
Soy/Coconut Container Wax

This blend of coconut and soy wax is a true single pour, and is designed to adhere to the sides of the jars. This wax produces a smooth top on candles and has a beautiful white finish (whiter than most soy waxes). This wax should be used only for the manufacture of container candles. Comes in a slab form which is soft and easy to cut.

Melt Point	Flash Point	Sample Size	Sample Price	Lbs / Case Cases / Pallet	1-4 cs	5-9 cs	10-39 cs	Pallet
124F	>600°F	12 lbs	\$39.99	48 lbs / Case 40 Cases Pallet	\$122.40	\$120.00	\$117.60	\$5,529.60

GOLDEN WAX

**402**

## Golden Brands GW402

**Recommended Use:**  
Soy Container Wax

This wax is a pure soy wax that contains no additives and is FDA-approved and Kosher-certified. It blends well with beeswax, paraffin, slack wax, and microcrystalline waxes. 402GW has a lower melt point which helps with the burn and gives better glass adhesion producing less wet spots. Comes in easy-to-use flake form.

Melt Point	Flash Point	Sample Size	Sample Price	Lbs / Case Cases / Pallet	1-4 cs	5-9 cs	10-35 cs	Pallet
115F	>600°F	10 lbs	\$28.30	50 lbs / Case 36 Cases Pallet	\$122.50	\$120.00	\$117.50	\$4,140.00

## Golden Brands GW444

Recommended Use:

Soy Container Wax

This is a blended wax that contains a soy-based additive and is both FDA-approved and Kosher-certified. The additive enables the soy to be poured at hotter temperatures reducing frosting and increasing the fragrance oil load. It blends well with paraffin, slack wax, and microcrystalline waxes. GW444 has a higher melt point which enables it to retain a higher fragrance oil load to give a stronger scent throw. Comes in easy-to-use flake form.

Melt Point	Flash Point	Sample Size	Sample Price	Lbs / Case Cases / Pallet	1-4 cs	5-9 cs	10-35 cs	Pallet
115F	>600°F	10 lbs	\$33.40	45 lbs / Case 36 Cases Pallet	\$115.65	\$114.75	\$113.85	\$4,050.00

# Melt & Pour Soap Bases

Catalog & Price List  
Prices Effective: 4/17/2023

## Stephenson Argan Oil M&P

**Recommended Use:**  
Soap Making

This vegetable based soap base is rich in Vitamin E and fatty acid content from Argan Oil. It is Sulfate free - no SLES or SLS, Paraben free, Preservative free, PEG (polyethylene glycol) free and MPG (mono propylene glycol) free. Has an excellent fragrance lift due to its neutral odor. Its high Glycerin content leaves skin feeling smooth!

Melt Point	Flash Point	Foam RTG 1-10	Appearance	2lb Tray / 25lb Case	12+ Trays		5+ Cases	
127F	N/A	5	Translucent Yellow	\$9.23 / \$80.77	\$8.96		\$78.35	

## Stephenson African Black M&P

**Recommended Use:**  
Soap Making

Made using natural and mineral-rich ingredients sourced from Ghana. This base is also infused with shea butter and coconut oils that work together to deeply cleanse and nourish your skin, leaving it feeling refreshed and rejuvenated.

Melt Point	Flash Point	Foam RTG 1-10	Appearance	25lb Case	5+ Cases	
127F	N/A	7	Dark Brown	\$89.60	\$86.92	

## Stephenson Goat's Milk M&P

**Recommended Use:**  
Soap Making

This vegetable based soap base is one of Stephenson's most popular soap bases. It has great color stability even when stored at higher temperatures and it's moisturizing properties leave skin feeling nice. Paraben free, Preservative free and PEG (Polyethylene glycol) free. It has also been found to be great for slicing and molding!

Melt Point	Flash Point	Foam RTG 1-10	Appearance	2lb Tray / 25lb Case	12+ Trays		5+ Cases	
127F	N/A	5	Opaque White	\$7.77 / \$84.05	\$7.54		\$81.53	

## Stephenson HCVS M&P

**Recommended Use:**  
Soap Making

This is a (High Clarity Vanilla Stable) vegetable based soap base. The high clarity makes for almost perfect transparency which enables bright colors. Dramatically reduces the darkening effect associated with adding vanilla based fragrances. Paraben free, Preservative free and PEG (Polyethylene glycol) free. It has superior color stability, even when stored at a high temperature for extended periods.

Melt Point	Flash Point	Foam RTG 1-10	Appearance	2lb Tray / 25lb Case	12+ Trays		5+ Cases	
129F	N/A	5	Translucent Clear	\$7.77 / \$84.05	\$7.54		\$81.53	

## Stephenson Honey M&P

**Recommended Use:**  
Soap Making

This vegetable based soap base is made using real honey sourced from Rowse Honey. The high Glycerine content leaves skin feeling smooth, while Honey soothes and nourishes the skin. Sulfate free, MPG (mono propylene glycol) free, Paraben free, Preservative free and PEG (polyethylene glycol) free. Has cleansing formulation with great foaming.

Melt Point	Flash Point	Foam RTG 1-10	Appearance	2lb Tray / 25lb Case	12+ Trays		5+ Cases	
135F	N/A	6	Translucent Gold	\$8.18 / \$79.99	\$7.94		\$77.60	

# Melt & Pour Soap Bases

Catalog & Price List  
Prices Effective: 4/17/2023

**Stephenson NCO M&P**

**Recommended Use:**  
**Soap Making**

This vegetable based soap base is made using 100% certified organic oils. The soap base itself is not certified organic which is why it is called NCO (non-certified organic). It has great foaming, naturally has the light brown color of the organic oils and also has high Glycerin content. Sulfate free, PEG (polyethylene glycol) free, MPG (mono propylene glycol) free, Paraben free and Preservative free.

Melt Point	Flash Point	Foam RTG 1-10	Appearance	2lb Tray / 25lb Case	12+ Trays		5+ Cases	
129F	N/A	8	Translucent	\$8.18 / \$69.56	\$7.94		\$67.48	

**Stephenson Olive Oil M&P**

**Recommended Use:**  
**Soap Making**

In this vegetable based soap 20% of the oils used are olive oil. It is used for the manufacture of high quality olive oil transparent soap bars. This soap base has fantastic clarity and superior color stability even when stored at high temperatures for a long time. Has high Glycerin content and a neutral odor. It is Paraben free, Preservative free and PEG (polyethylene glycol) free.

Melt Point	Flash Point	Foam RTG 1-10	Appearance	2lb Tray / 25lb Case	12+ Trays		5+ Cases	
122F	N/A	6	Clear	\$8.18 / 69.56	\$7.94		\$67.48	

**Stephenson Shea M&P**

**Recommended Use:**  
**Soap Making**

This is a vegetable derived soap base. Contains Shea butter, which is well known for its soothing, emollient properties. Is free from synthetic surfactants and MPG (mono propylene glycol). Is also Sulphate free, PEG (Polyethylene glycol) free, Paraben free and Preservative free. The high Glycerin content leaves skin feeling smooth and its neutral odor provides excellent fragrance lift.

Melt Point	Flash Point	Foam RTG 1-10	Appearance	2lb Tray / 25lb Case	12+ Trays		5+ Cases	
152F	N/A	6	Opaque White	\$8.18 / \$69.56	\$7.94		\$67.48	

**Stephenson SLES & SLS Free M&P**

**Recommended Use:**  
**Soap Making**

This is a vegetable derived soap base and free from the surfactants Sodium Lauryl Sulfate and Sodium Laureth Sulfate. Has excellent foaming and is suitable for slicing and molding. Has high Glycerin content and a neutral odor. Sulfate free, Paraben free, Preservative free and PEG (Polyethylene glycol) free.

Melt Point	Flash Point	Foam RTG 1-10	Appearance	2lb Tray / 25lb Case	12+ Trays		5+ Cases	
124F	N/A	8	Translucent Clear	\$7.77 / \$75.56	\$7.54		\$73.30	

**Stephenson Standard Transparent M&P**

**Recommended Use:**  
**Soap Making**

This is one Stephenson's most popular soap base, which is vegetable based. It is used to make crystal clear soap bars. Its great transparency, produces bright colors and has great color stability, even when stored at higher temperatures. Excellent foaming and lather with moisturizing properties. Good for slicing and molding. Is Paraben free, Preservative free and PEG (Polyethylene glycol) free.

Melt Point	Flash Point	Foam RTG 1-10	Appearance	2lb Tray / 25lb Case	12+ Trays		5+ Cases

# Melt & Pour Soap Bases

Catalog & Price List  
Prices Effective: 4/17/2023

## Stephenson Suspending M&P

**Recommended Use:**  
Soap Making

This vegetable based soap base is used for making semi-transparent bars with suspended particles. It has good foam and lather with high Glycerine content and neutral odor. It is suitable for slicing and molding. Is Paraben free, Preservative free and PEG (Polyethylene glycol) free. With it being capable of suspending particles it will retain more air than other bases which in turn may affect the clarity of the finished product.

Melt Point	Flash Point	Foam RTG 1-10	Appearance	2lb Tray / 25lb Case	12+ Trays		5+ Cases	
131F	N/A	5	Translucent Clear	\$8.18 / \$69.56	\$7.95		\$67.48	

## Stephenson Triple Butter M&P

**Recommended Use:**  
Soap Making

This vegetable based soap base is made using a premium luxurious butters; a blend of natural Shea Butter, Cocoa Butter, and Mango Butter nourish, moisturize and cleanse the skin. These butters cause it to contain vitamin E, D & provitamin A. Has low color, high Glycerin content and good foaming. Is Paraben free, Sulfate free, Preservative free and PEG (Polyethylene glycol) free.

Melt Point	Flash Point	Foam RTG 1-10	Appearance	2lb Tray / 25lb Case	12+ Trays		5+ Cases	
124F	N/A	5	Opaque White	\$8.18 / \$89.60	\$7.94		\$86.92	

## Stephenson White M&P

**Recommended Use:**  
Soap Making

This vegetable based soap base, with added Titanium Dioxide as an opacifier is used for making opaque soap bars. It has superior color stability, good foam and lather, with high Glycerine content and neutral odor. It is suitable for slicing and molding. Is Paraben free, Preservative free and PEG (Polyethylene glycol) free.

Melt Point	Flash Point	Foam RTG 1-10	Appearance	2lb Tray / 25lb Case	12+ Trays		5+ Cases	
138F	N/A	6	Opaque White	\$7.53 / \$80.80	\$7.31		\$78.38	

## Stephenson Foaming Bath Butter

**Recommended Use:**  
Soap Making

This is a unique and innovative product base used to create whipped foaming bath butters, sugar scrubs, a body souffle, or a salt scrub. Can be used for shower, bath, or facial wash applications. Has high foam and creamy lather, rich in Glycerine. Its mild formulation makes it ideal for sensitive skin and Zein tested to be a "non skin irritant". Is Paraben free, Preservative free and PEG (Polyethylene glycol) free.

Melt Point	Flash Point	Foam RTG 1-10	Appearance	2lb Tray / 25lb Case	12+ Trays		5+ Cases

## HIGH QUALITY LIQUID DYES

### General Information

Very high quality, highly concentrated liquid dyes are very soluble in wax. Contain no particles of insoluble matter or sediment, sometimes found in powdered dyes. These dyes reduce the chance of color shifting after candle is made due to high solubility. All sizes come in a glass bottle with a rubber bulb dropper & glass pipette for easy dispensing. 1 ounce of dye will color approximately 100 - 200 pounds of wax depending on shade.

## HIGH QUALITY DYE BLOCKS

### General Information

A new and unique system for coloring candles. No scales for weighing or prior knowledge about using dyes is necessary. It is all laid out and easy to follow on the color chart with directions under each color swatch. You can make several colors and shades with the same block just by varying the volume of wax with a single dye block. All of the dye blocks are compatible with each other in any candle wax. There are 27 colors available as well as two types of UV absorber. A kit is also available which contains all twenty-nine blocks for \$27.95.

(Although we have tried to represent the colors as accurately as possible, printers and monitors vary and will display colors differently. The color range of each dye may not be exactly what displays on the monitor or prints on the page. Please keep this in mind when ordering.)

## WICK SAMPLER KITS

Here is a great way to test new sizes & types without breaking the bank! With such a large selection of wicks, it is often difficult to be sure which type, size, and length wick is best for your particular application. If you're unsure, we strongly recommend purchasing the Master Wick Sampler Kit. Included in the kit are 5 samples of every single wick we carry! (Total of 315 wicks) Plus it's cheaper than buying the individual sampler kits separately!

Kit	Contents	Total	Price
Master	5 of all cotton wicks	300	\$49.45
Zinc	5ea - zinc, paper, tealight	50	8.25
CD	5 of each	65	10.73
ECO Wick 6"	5 of each	50	7.65
ECO Wick 10"	5 of each	30	7.15
HTP	5 of each	35	8.25
LX	5 of each	70	11.55

## ZINC CORE WICKS

These are the most commonly used wick type for many types of candles. They may also be used for votives, pillars, and in gel candles. The wire core in the wick helps the wick to remain standing straight while the candle is being poured and when the candle is lit. They have been widely used since the use of lead cored wicks was discontinued long ago.

Each wick has been cut to the specified length, primed with a standard wax (180°F) and has been crimped with a 20mm diameter x 10mm tall tab.

Size	Length	Price per 100	Price per 1000
44-24-18	2.5"	\$7.65	\$65.45
44-24-18	6"	\$7.65	\$65.45
51-32-18	6"	\$7.65	\$65.45
51-32-18	9"	\$9.85	\$87.45
51-32-18	12"	\$12.05	\$109.45
60-44-18	6"	\$7.65	\$65.45
60-44-18	9"	\$9.85	\$87.45
60-44-18	12"	\$13.15	\$120.45

## CD SERIES WICKS

The CD series of wicks is a favorite among many seasoned candlemakers. These wicks are flat braided with a special paper filament woven around them. This configuration is engineered to promote maximum and consistent burn while insuring a wick trimming flame posture. The CD series is used in many applications and is especially compatible with the harder-to-melt viscous waxes of both paraffin and vegetable base.

Each wick has been cut to the specified length, primed with a high melt point wax (212°F) and has been crimped with a 20mm diameter x 10mm tall tab (except CD-22 which has a 20mm diameter x 6mm tab).

Size	Length	Price per 100	Price per 1000
CD-4	2.5"	\$8.75	\$71.50
CD-5	2.5"	\$8.75	\$71.50
CD-6	2.5"	\$8.75	\$71.50
CD-6	6"	\$9.85	\$82.50
CD-7	6"	\$9.85	\$82.50
CD-8	6"	\$9.85	\$82.50
CD-10	6"	\$9.85	\$82.50
CD-12	6"	\$10.95	\$93.50
CD-14	6"	\$10.95	\$93.50
CD-16	6"	\$10.95	\$93.50
CD-18	6"	\$10.95	\$93.50
CD-20	6"	\$10.95	\$93.50
CD-22	6"	\$12.05	\$104.50

## ECO SERIES WICKS

This new series is designed specifically for natural waxes! The ECO series is a flat, coreless cotton wick braided with thin paper filaments interwoven for burn stability. This braiding technique also greatly improves rigidity compared to standard cotton and paper cored wicks. The specially treated paper threads provide a controlled curling of the wick making the ECO series self-trimming, which results in minimized mushrooming, soot and smoke. They have been designed to significantly reduce the "afterglow" and smoke often seen in paper cored wicks. An important difference to note is that these wicks have been primed with vegetable wax rather than paraffin wax, enabling you to market your candles as all natural candles!

Each wick has been cut to the specified length, primed with a vegetable wax (161°F), and has been crimped with a 20mm diameter x 10mm tall tab.

Size	Length	Price per 100	Price per 1000
ECO-1	2.5"	\$8.75	\$71.50
ECO-2	2.5"	\$8.75	\$71.50
ECO-4	2.5"	\$8.75	\$71.50
ECO-4	6"	\$9.85	\$82.50
ECO-4	10"	\$14.25	\$126.50
ECO-6	6"	\$9.85	\$82.50
ECO-6	10"	\$14.25	\$126.50

ECO-12	6"	\$9.85	\$82.50
ECO-12	10"	\$14.25	\$126.50
ECO-14	6"	\$9.85	\$82.50
ECO-14	10"	\$14.25	\$126.50

## HTP SERIES WICKS

Coreless, all cotton braided wicks which are designed to bend at the tip when burning, forcing the tip of the wick into the outermost portion of the flame where it burns hottest. The result is more complete combustion, leaving less carbon buildup (mushrooming) behind and less smoking. Can be used in votives, pillars, containers, and gel candles.

Each wick has been cut to the specified length, primed with a high melt point wax (212°F) and has been crimped with a 20mm diameter x 10mm tall tab (except HTP-1212 which has a 20mm diameter x 6mm tab).

Size	Length	Price per 100	Price per 1000
HTP-41	2.5"	\$7.65	\$65.45
HTP-52	6"	\$8.75	\$76.45
HTP-62	6"	\$9.85	\$87.45
HTP-73	6"	\$8.75	\$76.45
HTP-83	6"	\$8.75	\$76.45
HTP-104	6"	\$8.75	\$76.45
HTP-105	6"	\$8.75	\$76.45
HTP-1212	6"	\$9.85	\$87.45

## SPECIALTY WICKS

Paper core wicks burn very hot, which yields a large melt pool. Usually used only in large containers. The tealight wick below is designed specifically for our tealights.

Each wick has been cut to the specified length, primed with a standard wax (180°F). The paper core wick has been crimped with a 20mm diameter x 10mm tall tab. The tealight wick has been crimped with a special 15mm diameter x 3.8mm tall tab.

Size	Length	Price per 100	Price per 1000
60-44-18 Paper Core	6"	\$7.65	\$65.45
Tealight	1.125"	\$5.49	\$47.85
Eco Tealight	1.125"	\$5.49	\$47.85

## LX SERIES WICKS

Flat braided cotton wicks, chemically treated with a high melt point wax (212°F). These wicks are designed to reduce "mushrooming" (build up of carbon at the tip of the wick), reduce smoke and soot, and when used properly these wicks are virtually self-trimming. Can be used in virtually any application.

Each wick has been cut to the specified length, primed with a high melt point wax (212°F) and has been crimped with a 20mm diameter x 10mm tall tab.

Size	Length	Price per 100	Price per 1000
LX-8	2.5"	\$7.65	\$65.45
LX-10	2.5"	\$7.65	\$65.45

LX-30	6"	\$8.75	\$76.45

## ZINC WICK ROLLS (approx 8oz)

Size	Feet/Roll	Price
44-24-18	400ft	11.75
51-32-18	385ft	11.75
60-44-18	315ft	11.75

Make your own wicks any length you want by using these Wick Rolls and the Wick Tabs.

**Wood Wick Sample Kit** 3 of each size wick \$7.99ea

## WOOD WICKS

Wooden wicks are for use in containers, and should not be used in pillars or votives. Wooden wicks can be used in paraffin or soy. When using our wooden wicks in pure soy, we recommend using the large or extra large wick. This is to make sure the melt pool is wide enough since pure soy wax tends to hold in the heat, as well as fragrance.

Testing must be done to insure a proper melt pool.

**Not recommended for palm wax, beeswax, or coconut wax.**

## AUTO WICK PINS

Each	BG12	BG144
\$1.68	\$13.40	\$137.83

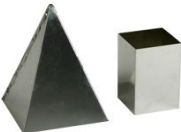

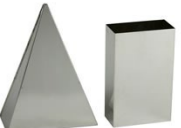

These auto wick pins reduce production time and produce perfectly centered wick holes every time! Simply drop them into your votive molds (they are self-centering), pour your wax, allow to cool, and remove the candle from the votive mold. Then just remove the pin from the candle, insert your wick and you're set! Made from a very durable heavy steel for long life.

## EZ WICK SETTER

This tool centers and sets the wick into your container. Its innovative design has 6 different diameters between 2 and 3 inches which allows it to fit nearly any container size.

**\$29.95 / each**

## MULTI EZ WICK SETTER

A new and improved version of the original EZ Wick Setter, this Multi EZ Wick Setter allows for multiple wicks within your container (up to 3).

**\$35.95 / each**

## GLUE DOTS

Roll Size	1 - 9 rolls	10+ rolls
1000	\$27.00	\$25.75
2000	\$37.75	\$36.25

The ultimate solution to keeping your wicks perfectly centered in your jars without having to use those messy, dangerous hot glue guns or expensive super-glue. Highly adhesive GLUE DOTSTM come on a roll inside a handy dispensing box. You simply press the tab of your pretabbed wick onto the wick sticker to remove it from the roll (which is wax paper, so it is removed very easily). Then, simply press firmly down into the center of your jar and you're DONE!

## THE CANDLE MAKER LARGE PITCHER

Now you can use the Candle Maker to make even more candles! This pitcher holds up to 32oz of wax & can be used with the Candle Maker base.

**\$22.99 EA**

## WICK STICKERS

These wick sticker sheets are so easy to use! They come in sheets of 25 stickers per page. No mess with hot glue guns, just peel and stick and your wick holds tightly, even when your jars are heated up!

## ORDERING

There is no minimum order required. The prices published in this catalog and on our website are our wholesale prices. Discounts are available on most products based on the quantity purchased. You are not required to have a business license or state Tax ID# to order unless you are a resident of Texas and you are wishing to exempt the sales tax. In order to exempt the Texas sales tax we must have on file a completed Sales & Use Tax Form from your company. You may order 24 hours a day and 7 days a week on our website ( [www.lonestarcandlesupply.com](http://www.lonestarcandlesupply.com) ). You may also place your order by phone, fax, or mail. Do not email your order. We do not accept any orders by email. You are also welcome to pick up your order at our facility during our regular business hours. We are open from 9:00am to 5:00pm Central Standard Time from Monday to Friday, closed Saturday and Sunday.

Orders placed online are processed most efficiently and generally receive the fastest processing time. In order to remain efficient in our ability to process your order quickly we must insist that orders cannot be changed (or combined) once they are placed. Please be sure that you have ordered what you need and that you have entered everything correctly BEFORE submitting your order. If you discover you have left something off, you will simply need to place another order and it will be treated as a completely separate order. If you discover that you have entered incorrect information by mistake and it will affect our ability to process your order correctly, please CALL US AS SOON AS POSSIBLE rather than email. We are unable to check the email nearly as often as we wish.

## RETURN POLICY

We are so confident in our products that we will accept returns within 30 days of your original purchase if you are not fully satisfied.

Due to sanitary reasons, we do not accept returns for consumable merchandise if it has been opened. This includes fragrances, dyes, waxes, and additives. If the product has not been opened, we usually will accept a return if it has been within 30 days of purchase. For example, if a fragrance oil has not had the foiled seal broken, we are able to accept a return on it as long as it is within 30 days of purchase. This policy is for your benefit to ensure that you get a safe, sanitary and 100% unaltered product that has not been contaminated by any outside sources. For this reason, we recommend ordering sample sizes of these products (when available) before buying a larger quantity.

Returns must be received in good, unused condition in order to be accepted. If items are not received in resalable condition, they may not be accepted. Once the return is received by us, we will issue a refund to the original credit card used for purchase.

## OTHER TERMS & CONDITIONS

1. All prices are net prices and do not include any sales , use, excise, or similar taxes. Any tax or levy of the Federal Government or any other governmental subdivision which may hereafter be levied on the manufacture, sales, use or shipment of goods, may at Seller's option, be added to purchase price.

2. Although we rarely change prices, all prices are subject to change without notice. We also reserve the right to refuse the sale of a product at a price published on the website or in the catalog if the price is wrong due to a typographical error.

3. All merchandise shall be delivered F.O.B. our warehouse (76248), with no freight allowance. Each delivery shall be considered a separate sale, and any delivery not made in accordance with the specific negotiated contract shall not affect any fulfilled portions thereof, nor entitle the Buyer to reject subsequent deliveries. At this time we currently only sell to customers in the United States and Canada. Most orders under 1,000 lbs. are shipped UPS. Most orders over 1,000 lbs. are shipped via a common carrier (LTL). We have discounts set up with several carriers - please call for a quote. Only for our customers in Canada, and the states of Hawaii and Alaska, we do offer shipping via the United States Postal Service.

4. We are not responsible or liable for damages incurred as a result of a delayed order. We do our best to process all orders in a very efficient, timely manner. As always, we recommend you place your orders far enough in advance to account for any time lost due to a delay.

5. Buyer assumes all liability directly or indirectly resulting from the use of any and all products. We are a distributor of high quality candle making supplies, not a manufacturer. Although we do hold our vendors to a high standard of quality, we play no role in the manufacturing process. It is the customer's responsibility to test products and implement their own quality control procedures to ensure the quality and integrity of the finished product.

## BILLING

We accept payment by any credit or debit card with a Visa, MasterCard, American Express, or Discover logo as long as it was issued by a bank based in the United States or Canada. You may also prepay with a Cashier's Check or Money Order. We do not accept personal or business checks. If you are picking up your order at our facility you may also pay with cash but please DO NOT mail cash to us. Unfortunately, we are unable to use multiple forms of payment on one order. If you would like to use 2 or more payment methods, you will need to place multiple orders.

When using a credit card or debit card, please ensure that adequate funds are available and correct billing information is entered BEFORE placing your order. If the wrong billing address is entered on the order, this will trigger one of our payment gateway filters in order to protect our customers from fraudulent charges. Declined credit/debit card orders hinder our ability to serve you as quickly as possible. DO NOT send your credit/debit card by email or by leaving it on our voicemail system. If you try to contact us during hours that we are not here, please simply leave a number where we can contact you.

## SHIPPING (TIME IN TRANSIT) INFO

The map below indicates FedEx's time in transit information for GROUND shipments. When trying to determine how long it will take for you to receive your shipment and which shipping method to choose, make sure to take all of the following into account:

A. The number of BUSINESS days WE will take to pack & ship your order. (This varies throughout the year - current info available at the top of our home page)

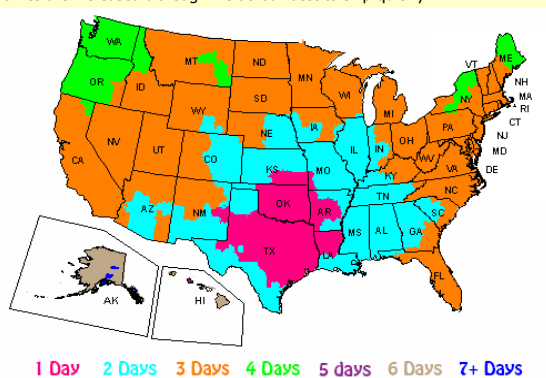

B. The number of BUSINESS days FedEx will take to deliver to your area of the country (See the map at the bottom of the page to determine the # of days for your area.)

C. Also remember that the actual day that your order is shipped DOES NOT count as a day in transit for UPS.

It is important to note that even when you select express shipping methods such as , FedEx Blue (2nd day), and FedEx Orange (Third day), this simply reduces the amount of time FedEx takes to deliver the package to you. The time it takes us to process your shipment DOES NOT CHANGE.

Other Important Notes:

Saturdays, Sundays, and Holidays are NOT business days. There are higher costs associated with express shipping methods. (Your shipping costs are calculated online). During the busy season, order processing times are increased although we do our best to ship quickly.

## REPRESENTATION & WARRANTY

We warrant our materials delivered hereunder to conform to specifications and descriptions and to be free from defect in material or workmanship. Our responsibility is limited to replacing or reprocessing at our facility any materials which have been returned to us, which have been determined to be defective, provided that we are advised within ten days after shipment of the material of any defect or failure to conform to the applicable specifications. Our liability under this warranty is limited to the repair or replacement of defective material, or if repair or replacement of defective material is impossible or cannot be accomplished in time to meet the customer's production schedule, we shall refund the original purchase price plus the cost of transportation.

We shall have the sole right to determine the method of shipment for the return of these materials and of determining whether such material shall be re-processed, repaired, or replaced. This warranty shall not apply to any materials reprocessed outside of our facility. This warranty is expressly in lieu of any and all other warranties or representations, expressed or implied, and no agreement or understanding berating upon Seller unless in writing and signed by a duly authorized rep. of Seller. All statutory or implied warranties other than title are expressly excluded and excluded.
